29th April 2022

Dear Parents/Guardians,

School Updates (May)

1. Distribution of Rapid Antigen Test Kits

The school resumes face-to-face classes on 3 May 2022 (Tuesday). Students are required to do COVID-19 rapid antigen test (RAT) before school on school days. The EDB, the school's PTA and voluntary organizations provide students with RAT kits. Each student will receive 10 RAT kits and 3 surgical masks. S1 students will get extra 10 surgical masks (14.5c.m. x 9.5c.m.). Students with financial difficulties including those receiving Comprehensive Social Security Assistance (CSSA) Scheme and School Textbook Assistance Scheme (full and half grant) will receive extra 20 RAT kits. Class teachers will distribute the mentioned materials on 3 May. Parents can apply for extra RAT kits if necessary.

2. Rapid Antigen Test (RAT)

Starting from 3 May 2022 (Tuesday), students have to complete a COVID-19 RAT and a temperature check before returning to school. After obtaining a negative result, students should take a picture for record and are required to report the test result and body temperature through the school's Smart Portal before 8:30 a.m. every school day. Students need to login to Smart Portal to show the test results at the school entrance when they arrive at school. Students should switch off their mobile phones after completing the checking.

If a student fails to submit the "Health Record" or fails to complete the RAT, he/she will not be allowed to attend school and the student will have to leave under the company of a parent/guardian. However, the student may complete the RAT at the designated place on the school campus in case he/she lives far away at the discretion of school. The student is allowed to attend school and go to the classroom only after he/she is tested negative by RAT. If a student is tested positive by RAT, he/she has to leave the school immediately, return and stay home. He/she should also report to the Department of Health as soon as possible within 24 hours via the "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test" (<https://www.chp.gov.hk/ratp/>).

If students are recovered from COVID-19 and have submitted relevant proof, for example, isolation order, medical certificate, recovery record QR code, etc., they are not required to undergo a RAT (excluding those with symptoms) within three months from the date of recovery. However, students are required to report their body temperatures through the school's Smart Portal before returning to school every day.

3. 2nd Term Uniform Test (UT)

The 2nd Term uniform test will be held from 16 May (Monday) to 18 May 2022 (Wednesday).

- For more information, please see the Uniform Test Timetable (Appendix 1) and S1 to S3 UT

Syllabuses (Appendix 2) attached.

- If your child is absent on the day of the Uniform Test, he/she should submit a parent's letter accompanied by a medical certificate within one week of absence to his/her form teacher. Without these supporting documents, your child will get a zero in that Test.

4. Teachers' Workshop on National Security Education

A teachers' workshop on National Security Education will be held in the afternoon on 19 May 2022 (Thursday). Students will have face-to-face classes in the morning as usual. The online lessons in the afternoon on that day will be cancelled.

5. Feast Day

The school's feast day will be held on 30 May 2022 (Monday). All students should attend the mass from 9:45a.m. to 11:00a.m. at school.

6. S.3 Subject Selection Arrangements

Please refer to the schedule below.

19 / 05 / 2022	Distribute Subject Selection Form X1 and X3
13 / 06 / 2022	Submit Subject Selection Form X1 and X3

7. Comprehensive Social Security Assistance

In order to provide more effective support for all stakeholders of the school, students who are receiving Comprehensive Social Security Assistance (CSSA) are requested to submit their supporting document to Ms HON Kam Fung, the Assistant Principal, as soon as possible, to facilitate follow-up service by the school.

Yours sincerely,
