Dear Parents/Guardians,

Application for Student Activities Support Grant

In accordance with the Education Bureau's aim of promoting 'Life-wide Learning' in junior forms as well as 'Other Learning Experiences' in senior forms, we are happy to announce that eligible S.1 to S.6 students can apply for financial assistance from the Education Bureau. This Fund is to support financially needy students to participate in life-wide learning activities in real contexts and authentic settings that complement classroom study. Such experiential learning enables students to widen their horizons and outlook, as well as to achieve learning goals as part of their whole-person development. Students who are receiving Comprehensive Social Security Allowance (CSSA), full/half grant under School Textbook Assistance Scheme (STAS) or students with financial needs who are not CSSA or STAS full/half grant recipients are eligible for application.

In this regard, eligible parents are kindly requested to complete the Reply Slip below with the allowance photocopy and return it to school office on or before Tuesday 13th September, 2021. We will handle your application accordingly.

Yours sincerely,

Yuen Cheung Oi
Principal
