Dear Parents/Guardians,

Peer Power – Student Gatekeeper Training Programme (2023-24)

I am writing to provide details about our school's participation in the Peer Power – Student Gatekeeper Training Programme. This programme is organized by the Education Bureau and the Baptist Oi Kwan Social Service. It aims to train students to become "Student Gatekeepers" to enhance the awareness of mental health among the entire school community. With mutual support and care among peers and teachers, we look forward to establishing a more friendly and supportive campus culture.

Students participating in this program will undergo a series of training workshops. As Student Gatekeepers, they will help teachers organize campus activities to convey messages about mental health and positive thinking to consolidate our friendly and supportive campus culture.

Your child has been selected to participate in this program. The following are an overview and the details of the program:

1. In addition to the Education Bureau personnel and the Baptist Oi Kwan Social Service mentors, the school will assign teachers/counselors to accompany the "Student Gatekeepers" to join various activities. All activities are free of charge, and we encourage your child to attend all of them. Please refer to the attached file for details of the activities.
2. All parents are invited to take part in an online seminar about children's mental health in July, 2024.
3. The organizing committee will collect feedback from the "Student Gatekeepers" through various forms such as questionnaires and interviews for the purpose of evaluating the effectiveness of the program.
4. During the activities, the organizing committee will capture highlights of the events for future promotion of the program.
5. The organizing committee will collect contact information of our students and parents for the purpose of disseminating activity information. The collected data will be destroyed after the program concludes.

Please kindly sign and hand in the reply slip below to Ms. L Chow before 13 November, 2023.
