- ** Students taking Physics should be good at Mathematics with average score more than 50% in S3 Mathematics.
- *** Students taking PE should pass the written and physical fitness tests conducted by school.

We encourage parents to give guidance and advice to children based on their strengths and interests when choosing the elective subjects. To provide the most suitable combinations of subjects to students, please complete the attached form showing your child's preference on their electives and the medium of instruction in Mathematics and Citizenship and Social Development. The results will be released on 15 July 2024. The school would assign students to different elective subjects based on their academic performance and the places available for each subject. The school will have the final decision on the elective subjects offered.

Please fill in the reply slip below and return it by **31 May 2024** to form teachers.

Yours sincerely,

Mr. Yuen Cheung Oi

Principal
