Dear Parents/Guardians,

Positive Parenting Academy

To align with the development of the latest “The Curriculum Framework on Parent Education”, our school will collaborate with the “HealthyMind Parents Academy” to organize a series of learning and sharing activities for all parents. These include: (1) Online video courses, (2) Large seminars, (3) Workshops, and (4) Online webinars.

The first module is the “Online Video Course”. This course covers a total of 26 topics. These topics are designed to help parents better understand their children’s development and learn how to guide them in cultivating positive values and problem-solving skills. After completing each video, parents will be required to answer a few short questions for assessment purposes.

Parents with the highest attendance and best performance will receive a souvenir from the Parent-Teacher Association as a token of encouragement and recognition. We encourage all parents to actively participate in this valuable opportunity.

To get started, please provide the following information so that the “Positive Parenting Academy” can prepare your login accounts. Thank you for your cooperation.

Yours sincerely,

St. Joan of Arc Secondary School Parent-Teacher Association
