We encourage parents to give guidance and advice to children based on their strengths and interests when choosing the elective subjects. To provide the most suitable combinations of subjects to students, please complete the attached form showing your child's preference on their electives and the medium of instruction in Mathematics and Citizenship and Social Development. The results will be released on 15 July 2026. The school would assign students to different elective subjects based on their academic performance and the places available for each subject. The school will have the final decision on the elective subjects offered.

Please fill in the selection form below and return it by 28 May 2026 to form teachers.

Yours sincerely,

Mr. Yuen Cheung Oi
