## Notice to Parent / Guardian

Circular No: CCA148/2025-2026  
30<sup>th</sup> April 2026

Dear Parent / Guardian,

### Australia English Study Tour 2026

The school prioritizes the holistic development of students and provides a wide range of learning experiences across various domains. In order to increase students' interest in learning English and enhance their understanding of foreign cultures, the school is organizing an "Australia English Study Tour".

As the preparation process involves matters such as quotation, tendering, risk assessment, travel document processing, and financial calculations, we are sending this letter to inquire about parents' interest to let their children participate in the tours. Due to limited availability for the tour, students will be selected for the tour based on their performance in an interview to be conducted on 11<sup>th</sup> to 12<sup>th</sup> May. The results will be released on 15<sup>th</sup> May.

Aim	By offering English language classes abroad and giving students an opportunity to live in an authentic environment with local host families, we aim to build their confidence in using English. The tour also includes arrangements for students to visit local attractions, which will increase their understanding of Australian culture.
